JOHN BY R.C. SPROUL

RTF-USA has been working with Ligonier Ministries since 2022 to complete the translation of the New Testament Commentary series by R.C. Sproul into Simplified Chinese. The final volume is now completed: *John, an Expository Commentary*.

"Dr. R.C. Sproul provides an introduction to John in his accessible, conversational style. Each chapter is packed with insights and exhortations to draw you closer to the life and light of the Savior. Dr. Sproul's expository commentaries help you understand key theological themes and apply them to all areas of your life...This is a series to serve pastors, small groups, and growing Christians who want to know the Bible better." The other volumes in the series are Matthew, Mark, Luke, Acts, Romans, Galatians, Ephesians, and 1&2 Peter. Ligonier materials can be found online at www.ligonier.org.

NEW CHINESE RELEASES THIS SUMMER

Since the printing of the Spring Newsletter, RTF-USA has translated several new Simplified Chinese titles for use in the church. These new books were made possible by your donations and gifts, we are so thankful for our supporters. You can find these titles for free on our website at www.rtf-usa.com.

1) We are excited to release *Rules for Walking in Fellowship* by John Owen as our newest installment in the *Puritan Treasures* series. "John Owen supplies struggling congregations with biblical guidelines for making church life in the present a foretaste of heavenly fellowship to come. He discusses both the responsibilities congregations have toward

pastors as well as the duties members have toward one another. Together, Owen presents twenty-four rules for fostering gospel fellowship, supporting them with numerous proof texts, brief explanations, and words of motivation to keep them."

2) *Holy Meditation* by Thomas Manton: "The Puritans viewed meditation as essential for spiritual growth and effectiveness in spiritual duties—a crucial link between hearing, believing, and living God's Word. Proper meditation cultivates discernment, deepens repentance, and fosters devotion." *Holy Meditation* "helps believers discover the transformative

effect of biblical meditation on the mind and heart."

3) *The Epistle to the Romans, Volume Two* by John Murray: The first portion was released in 2025, now the completed volume is ready for viewing on our website. Murray's classic volume is a part of our emphasis on traditional texts that defend the truths of Reformed Confessional theology. As our readers continue to express interest in more commentaries, we are happy to provide these resources.

4) A Puritan Library in Asia has printed 400 copies of one of our translations to distribute. In cooperation with Reformation Heritage Books, *Triumphing Over Sinful Fear* by John Flavel has been published.

New titles by John Owen, Thomas Manton, and John Murray. New printing of John Flavel.

CONFERENCE UPDATE

Our RTF-USA team was in attendance at the 2026 Ligonier National Conference in April. The Orlando meeting was of great benefit in meeting other ministry partners who need translated books in their teaching and outreach. We made good connections and met new friends with interest in our work. We are thankful for the generosity of Ligonier ministries for inviting us and providing a booth to show our books to the conference attendees.

The General Assembly of the Orthodox Presbyterian Church (OPC) and the national Synod of the Reformed Presbyterian Church of North America (RPCNA) were also important stops for our conference outreach for 2026. Please pray for good fruit to come from this work.

THREE NEW URDU BOOKS

Our Urdu team has continued to produce new material for use by the Urdu church. The Urdu Center for Reformed Theology has partnered with us to complete three new Crucial Questions booklets since our Spring Newsletter. "The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers."

1) *Who is the Holy Spirit?* "In this booklet, Dr. Sproul cuts through the confusion by going to Scripture. After explaining who the Holy Spirit is, Dr. Sproul briefly sketches His work in this world, from giving new life to unbelievers to sanctifying and empowering God's people."

2) *Can I be Sure I'm Saved?* "Many people in the church today are plagued by doubts about their salvation. However, it's not only possible for Christians to be sure that they are saved; it's their duty to make their calling and election sure (2 Peter 1:10). In this booklet, Dr. Sproul seeks to help believers reach this goal. In short,

accessible chapters, Dr. Sproul defines assurance, shows how we can gain it, reveals the blessings it brings, and warns of the dangers of false assurance."

3) *What Does it Mean to be Born Again?* "In this booklet, Dr. Sproul cuts through the confusion and carefully explains what it means to be born again. Dr. Sproul affirms that the new birth is essential for salvation and goes on to show that this regeneration is a sovereign work of God in our hearts." The Crucial Questions series, as well as many other resources, can be found at www.ligonier.org.

"The vision and aim of Urdu Center for Reformed Theology (UCRT) is to make biblical resources accessible via a convenient, online format. There has been a tremendous need and a desire for a central platform for Reformed resources in the Urdu language. Our vision is to equip churches and church leaders to lay strong doctrinal foundations and guard against false teachings that plague our churches." You can learn more at www.ucrt.org.

"THE URDU LANGUAGE IS SPOKEN BY MORE THAN 137 MILLION PEOPLE AROUND THE GLOBE. IT IS THE OFFICIAL LANGUAGE OF PAKISTAN, AND ALSO WIDELY SPOKEN IN INDIA."
